Irig And Garageband Ipad 7In this feature I ditch the recording studio and take a look at the best portable interfaces for GarageBand musicians who want the freedom to record anytime, anywhere.. Jul 30, 2011 I have been a happy user of iRig with both the iPod Touch4 and the iPad version.. But in trying to use it in GARAGEBAND on the iPad I have restarted, adjusted settings, checked updates yadda yadda yadda and I still cannot get the guitar signal in the headphones.. IRig Keys I/O - Universal keyboard controllers and audio interface for iPhone, iPad, iPod touch, Mac and PC.
